

Talking Tubing Comment Policy

“Talking Tubing” is for and about PriceFitters.com customers and others interested in resin distribution tubing systems. The dialogue on this blog should be about the products, services, and related technology we provide (or could provide) to our customers. Occasionally, we'll also discuss broader industry issues that could impact how we serve our customers.

This blog is a place for plastics processors and industry professionals to share opinions and relative issues. Comments, suggestions and professional debate are welcome; however, all comments on this blog are moderated for inappropriate content.

We will attempt to place comments to the site as quickly as possible, usually within 72 hours. Each comment will be reviewed and posted at the sole discretion of PriceFitters. Civility is essential, as the following types of comments will not be posted:

- Potentially libelous comments
- Obscene, defamatory, or racist comments.
- Personal attacks, insults, or threatening language.
- Plagiarized material.
- Private, personal information published without consent.
- Comments totally unrelated to the topic of the forum.
- Commercial promotions or spam.
- Violations of copyright, trademark right, or other intellectual property right.
- Hyperlinks to material that is not directly related to the discussion.
- Generally inappropriate comments.

This blog is not the place for addressing customer service or sales questions. We request that these types of issue be directed to your customer service representative.

This blog is part of the PriceFitters website, meaning the Terms of Use and Privacy Policy found on the website, www.pricefitters.com, also apply to “Talking Tubing”. If you do not agree to these terms, do not use the service as violation of the terms can lead to legal liability.

The full text of Pricefitters Terms of Service, as well as copyright information, is available here (*provide link*). By posting a comment you agree to indemnify PriceFitters and its employees from and against all liabilities, judgments, damages, and costs (including attorney's fees) which arise out of or are related to the content posted. Notwithstanding the foregoing, Pricefitters is not obligated to take any such actions and will not be responsible or liable for content posted by any subscriber in any forum, message board, or other area within the Service.

Pricefitters reserves the right to amend or change this doctrine at any time. You are invited to check back periodically to ensure you are in compliance. Thanks for visiting “*Talking Tubing*”.
